

The NEW Spectra Leg Lift

The Spectra Leg Lift has a smooth, quiet action giving the user complete control of positioning and speed, for a safe and comfortable leg raise.

The unique design enables the platform to rest on top of the mattress, providing a bridge between the product and the mattress for an easier transfer.

- ◆ Smooth and Silent Action
- ◆ Can be used in conjunction with most Mattress Elevators
- ◆ Fully Height Adjustable
- ◆ Lightweight and Easy Fit
- ◆ Easy Clean Surfaces
- ◆ S.W.L. 250kgs
